Fax: 770.775.7669

Dear City Resident,

As a service to City Residents we pick up "Household garbage only" every Tuesday morning! All garbage must be secured (tyed up) in plastic garbage bags and placed in the garbage can by the street on Tuesday mornings only. Litter which is not bagged will leave scattered debris in your yard and blow off of our open bed truck along roads and streets. We ask that empty garbage cans to be taken off the street on Tuesday evening and cleaned periodically.

Large boxes, toys, furniture, tree limbs, and/or other debris (if it will not fit into an average size garbage bag) will not be picked up. As we hand load all household garbage, no bags can weigh over 25 to 30 lbs and if water is in them they will be left. We will take cardboard boxes that are broken down, however we cannot be responsible for litter pickup around the can or yard due to loose garbage or torn bags.

If these guidelines are not followed garbage service for your residence will be discontinued. Thanks you for your cooperation in this matter.

Debi Smith  
City Clerk  
770-775-4850
